How often do you get complimented on your booty? Well, I get it a lot. I make sure it's ready for action because you never know where it's going to come from. I especially like having a guy bury his face in it and lick my pussy and asshole from behind. I can just close my eyes and fantasize about what wonderful things will cum next. If you like me and you can't wait, turn the page.

TWO HOSES FOR HANNAH

“Can I borrow your hose?” asked Hannah.

It took some doing, but I managed to suppress a chuckle. Last thing I wanted to do was offend the boss’s daughter. After all, this was her first day.

“Of course,” I told her, proffering the hose. “Be my guest.”

I was sick of watering the caladiums, anyway. They were all hers. Hannah’s initiative surprised me. I had taken her for the lazy type. Maybe she had a thing for hoses . . .

I left her in the greenhouse and returned to the store proper.

Saturday, I thought glumly. It was going to be a long one. Unlike Hannah—a seasonal employee—I was full-time. I had been hired shortly after graduating from high school. Now, some eight years on the job, I hated myself for not studying harder and going to college. Assembling fertilizer spreaders and toting potted plants to cars wasn’t exactly a thrill a minute.

Granted, I wasn’t alone in my misery. William—everybody called him Will—was in the same boat. A few

years older than me, Will had taught me everything I knew, which was just enough to avoid getting canned . . .

The garden center was a family business. Two brothers, Billy and Bobby Wallace, ran the show, a couple of college baseball nuts who had mounted a big flatscreen on the wall so they could watch their alma mater, this while the rest of us did all the work. I entered the main showroom to find them clapping and whistling as if they were at the ballpark. I stood there watching the slow-motion replay of their beloved team turning a double play. Big fucking deal, I thought.

There was a time when I actually liked the game. But no longer. The arrival of baseball season meant more work, lots more, for Will and me. Of course, the upshot to this was the influx of seasonal help. The new face showed up each and every spring, eager and green and hopelessly naïve. Will and I had this stooge do the backbreaking grunt work like stacking sod and unloading fifty-pound bags of potting soil.

Which brings me back to Hannah . . .

This year’s stooge . . .

A fucking high school chick!

Hannah was a senior, bound for college, probably the same one her father had attended. As an employee she was going to be absolutely useless. This sounds awfully sexist, but she just wasn't strong enough for the job. Hannah would be no help at all.

I found Will clocking out for his customary early lunch.

"You met Hannah?" I asked him.

"Yeah, I met her," he replied. "Easy on the eyes, but..."

"But what?"

"Come on, man. She's worthless. Billy knows that. What the hell is he thinking? He always hires a dude, usually a high school football player built like a brick shithouse."

"I hear you."

Will sighed wearily. I knew he was thinking about all the work which lay ahead, hour upon hour of exhausting labor while Hannah, the boss's daughter, our so-called seasonal help, greeted customers and played with a water hose.

"Nepotism," I remarked bitterly.

Will told me to call him if he wasn't back in an hour. He didn't need to remind me. I knew the drill. Will always went home for lunch and took a nap. He had a bad habit of oversleeping. I must've called him a hundred times over the years.

"Sweet dreams," I told him, returning to the greenhouse to check on Hannah.

Well, that's not exactly true. Check out Hannah was more like it. She may have been a weak link, yeah, but she was hot. Blonde. Nice tits. Slim hips. Tight ass. She wore her uniform—garden center T-shirt and Khaki shorts—oh so well.

The neatly coiled hose lay on the ground. The caladiums dripped with moisture. But no sign of Hannah. I searched the greenhouse top to bottom, came up empty. Where did she go? Finally, after showing an elderly woman our selection of sprinklers, I found her in the

covered storage area out back where we kept the big bags of potting soil and cedar mulch. She was sitting on a short stack of the latter and smoking a cigarette. Frankly, I was surprised to see her smoking. She didn't seem the type. Dear old dad would have been disappointed. Clearly, his daughter had a rebellious streak. I wondered what other vices she had picked up . . .

"Thought I'd take a break," she told me. "I hope that's okay."

"I'm not your boss, Hannah. You don't need my permission."

"It's hot in that greenhouse . . ."

"You'll get used to it."

She looked at me strangely. "I won't be here long enough to get used to it. I'm strictly seasonal, remember? Come June I'll be heading to college. I'm going to start early, go to summer school and get a head start. I want to graduate early . . ."

Smart girl, I thought. Hannah had a good head on her shoulders. She offered me a cigarette. I declined. I drank plenty, mostly beer, but had never picked up the habit. Probably because both of my parents smoked like chimneys and the house always stank.

"Don't tell dad." She waved her cigarette. "He'd be pissed."

"I won't say a word," I assured her.

A saucy grin creased her youthful features. “You’re not going to blackmail me?”

“Blackmail?”

“Yeah, like they do in porn. You know, some old dude catches some young chick smoking or drinking or stealing, says he won’t tell just so long as she sucks his cock . . .”

Just hearing her utter the word “cock” gave me an instant boner. Hannah was certainly no goody two shoes. Cigarettes. Porn. Did she drink? Get high? Fuck?

“You like porn?” she asked matter-of-factly.

“How old are you, Hannah?”

“Eighteen.”

Her big blue eyes dipped low to focus on the front of my shorts. “You’ve got a hard on.” She exhaled a plume of purple smoke and tossed her cigarette on the ground. “I bet a guy like you would love to fuck a hot young thing like—”

“You’re all talk, Hannah,” I called her bluff. “I don’t have time for a high school tease. Get back to work before I tell your—”

“I’ll suck your dick right now,” she cut me off.

I studied her face.

“I’m not kidding. Whip it out. Let’s see what you’ve got . . .”

I whipped it out, but not before leading her to an

even safer spot. An unwanted interruption would have been disastrous. The small aluminum shed where we kept the poison—rat, gopher, roach, you name it—was perfect. I had a key to the big padlock on the door.

Hannah followed me into the stuffy gloom. Fully stocked shelves filled the interior, each and every canister labeled with a skull and crossbones.

She frowned. “What is this stuff?”

“Poison.” I flipped the light switch, casting a sickly yellow on the hazardous tableau.

“It’s hot in here,” Hannah complained.

I responded by unzipping my shorts and freeing my hard dick. Hannah liked what she saw. The saucy grin returned. She started to kneel,

but I stopped her.

“Take off your shirt,” I told her. “Show me those titties.”

Hannah complied. Her tits were everything I had imagined, perfectly shaped half melons capped with dark brown nipples. My hands rose instinctively. She sighed as I kneaded with deft hands, rubbing and massaging those marvelous jugs. Her nipples hardened. I took one in my mouth. Hannah moaned. Her hand darted to my cock.

She crouched and basted me, balls to flared glans, with her tongue. My shaft swelled. Grinning lewdly, I ran my hands through her silken blonde hair. Having thoroughly lubed my rigid tool, Hannah migrated to my nuts. Stroking me with her hand, she sucked and licked my balls with sloppy sluttiness. She devoured my entire ballbag; this while jerking her hand up and down. The girl was talented, for sure. I couldn’t wait to fuck her . . .

Moments later, having peeled her khaki shorts and paisley print cotton panties, I had her turn away from me and bend over. She held a shelving unit for balance, steadying herself as I moved behind her and plunged

my cock into her pussy. Shorts bunched around her stylish hiking shoes, panties stretched between her legs like taffy, my boss's eighteen-year-old daughter received me with a loud grunt.

I gripped her firm fanny with both hands, parting her cheeks as I proceeded to thrust. Hannah was amazingly tight. Her teen twat clenched my member in its hot embrace. I grabbed a handful of hair and yanked her head back. She responded favorably, moaning and telling me to fuck her harder, fuck her faster, make her dirty cunt come . . .

I succeeded . . .

Hannah cried out crazily.

I remained inside her, deliberately still, as the tell-tale shudders wracked her body. Finally, she peered at me over her shoulder. "Give me your poison. I want it all, fill me with——"

Her brazen request sent me over the edge. I emptied my balls inside her.

We got dressed and exited the storage shed. I was securing the padlock when Hannah mentioned Will. "What about him?" I inquired.

"I'm want to fuck him, too."

I smiled wryly. "I'm sure that can be arranged."

"An hour from now," she said with a straight face. "After my lunch break. Tell him to meet me right

here."

Shit!" I barked suddenly.

"What is it?"

I rushed into the store proper, leaving her there to ponder my sudden exodus. Thankfully, Will hadn't overslept. I found him sitting on the floor assembling a bright red wheelbarrow. I told him all about Hannah. He didn't believe a word of it.

"What are you smoking?" he asked me.

"I'm dead serious. She wants to fuck you, man. I know that for a fact."

"Yeah, right . . ."

"The poison shed," I told him. "Meet her there in an hour. You won't be sorry."

And he wasn't. Not about the sex, anyway. But the poison was another matter.

In the throes of passion, Hannah had accidentally knocked over an improperly sealed canister of gopher poison. The pungent pellets had spilled all over the place. Nothing, and I mean nothing, stinks worse than gopher poison. Bad shit. Toxic shit. Prolonged exposure to the fumes can cause brain damage. Both Hannah and Will had puked their guts out . . .

I couldn't help but laugh.

Poor Hannah.

She was scarred for life!

A photograph of two young women with long brown hair kissing outdoors. The woman on the left is wearing a dark olive green tank top and dark shorts. The woman on the right is wearing a pink top. They are both smiling and looking at each other. The background shows a brick wall and some greenery.

We have really busy lives and find it hard to carve out a little time for our husbands anymore. We grew more and more apart and we found we liked our freedom. But what we found is that we really like mutual masturbation with each other. As best girlfriends, we've been doing each other since, well, for a long time. We'd get naked and play with each other's clitties. Now we've graduated to strap ons!

Aubrey Addams is sitting on a bed with a man. She is wearing a black long-sleeved top and black pants. She is pulling down her patterned shorts, revealing her underwear. The man is sitting next to her, looking down at her. The background features a wall with a black and white geometric pattern.

AUBREY ADDAMS

When I went to UCLA, the number of guys increased exponentially from high school. I had my pick of them, and being a true blonde, they're beating a path to my pussy. And I welcome them in as often as I can. I like all types because they all bring something new to the bedroom. And the type that's willing to fuck my willing ass are the ones that I fall hard for. So, if you're out there looking for a cute blonde, who's looking for an anally good time, find me on campus.

*The real money,
I knew from experience,
would be in the safe.
She pushed the sack across the counter as if it held
a poisonous snake.*

The place was an easy mark, especially at midnight; it was one of those dingy gas stations alongside a stretch of rural highway in the middle of nowhere. A pair of fuel pumps, battered and outdated, fronted the small store.

I slid out of my old car, the reassuring weight of a .38 tugging at my lower back. A cowbell tethered to the door clanged and clunked as I entered the store. The female clerk paid me no heed; she was engrossed in a true crime magazine with a lurid cover.

How appropriate, I thought amusedly. Downright perfect . . .

I produced the gun and pointed it at her. "Give me the fucking money!"

Her freckled face registered shock. She dropped the magazine in her lap. It slid off the side of her thigh and flipped to the floor.

"Alright, alright," she pleaded. "Don't shoot . . ."

I waved the gun menacingly. "Hurry up! I ain't got all night!"

The clerk opened the cash drawer. She was terrified. Her hands trembled. She had a difficult time handling the money. I didn't tell her to bag the loot. She did it anyway, filling a plastic sack with singles, fives, tens, a pair of twenties. The real money, I knew from experience, would be in the safe. She pushed the sack across the counter as if it held a poisonous snake.

I wanted her to open the safe. But that would take time. And I needed to get the hell out of there. I could see some random asshole showing up for a quart of milk, a complica-

head of hers. "Can you describe the man?" the policeman would ask her. "I sure can," she would tell him. "I never forget a face. And I got a real good look at this fellow."

I berated myself for not wearing a mask. Stupid mistake. Amateur hour. Or so it seemed at the time. As it turned out—well, forgoing concealment was a stroke of genius

tion I needed like I needed a dose of the clap. Still, I wanted more dough than the sack contained. That was just chump change, what my late father called "soda pop money."

The clerk searched my face. Too much for my liking. She was filing my features in that pretty blonde

on my part.

"Bobby Alford!?" the blonde clerk remarked after I told her to open the safe.

Hearing my name uttered in the middle of an armed robbery threw me for a loop. Was I hearing things? Losing it? Going soft in the

head? I imagined myself wearing a straitjacket and confined to a padded cell. Then it hit me. I knew this person.

The blonde hair, the freckles, the voice . . .

“Donna Snyder?” I lowered the gun.

After all, I didn’t want to accidentally blow a hole in my ex-girlfriend. I had dated Donna the summer after graduating from high school, a whirlwind romance that had ended when I boarded a bus for basic training. I hadn’t seen her in at least twelve years. She still looked good. A little heavier, but certainly not fat. Those cute freckles did a number on me, then and now. I felt like a heel, of course, the lowest scum for having held her at gunpoint.

“I wasn’t going to shoot you, Donna,” I said lamely. “That’s the honest——”

“Take the money, Bobby. It’s all yours. I don’t give a damn. They don’t pay me enough to care one way or the other.”

“What about the safe?” I asked.

“I can’t open it,” she said with bitterness. “The manager doesn’t trust me with the combination.”

I believed her. The bitterness in her voice was genuine. Doubtless she was pissed about her lot in life. Donna was capable of so much more. And I was too. Somewhere along the line our lives had gone off track. Mine more than hers, but still . . .

“I’m sorry for scaring you, Donna,” I told her.

“It’s okay,” she said, taking the whole thing in stride.

Her reaction surprised me. After all, I had pointed a loaded gun in her face.

“I’ll give you a good twenty minutes before calling 911. How does that sound, Bobby?”

Like more than I deserve, I thought. “Sounds great.”

“But,” she amended with a cal-

culating grin, “you have to do something for me.”

“Name it.”

Donna named it.

I thought she was joking.

Until she came out from behind the counter, locked the front door, and led me to the back of the building and to the cramped storage

around my ankles, making it hard to walk. I shuffled forward, cock in hand, and skewered her with a forceful thrust. She gasped and turned her head to the side. I grunted and proceeded to pound her in earnest. I screwed her hard and fast, humping and pumping in a mad frenzy until . . .

room . . .

Next thing I knew Donna was crouched on the floor with my cock in her mouth. Just like old times, I mused, standing there and watching her head pump as she treated me to a spectacular blowjob. Time had done nothing to diminish her oral skills.

Having primed me to maximum hardness, Donna rose to her full height and shed every stitch of her clothes. A desk cluttered with invoices provided the perfect surface upon which to fuck.

Donna lay there, her sturdy thighs spread, rubbing her pretty pussy. My pants were bunched

Not holding back she cried out loudly, announcing her orgasm. I withdrew and shot my wad all over her inner thigh. Fucking her made me feel twelve years younger. For a little while, anyway. The depressing realities of my desperate life returned soon enough.

Hands on the wheel, foot on the gas, I sped away from the scene of the crime. The dingy gas station was framed in my dirty rearview mirror. OPEN ALL NIGHT, the cheapo electric sign read. Well, I didn’t know about the “all night” part . . .

But Donna had definitely been open for me and my stickup!
